

HOW TO MAKE WOOLLY FLOWERS

STEP 1: COLLECT AND ORGANIZE ALL OF YOUR MATERIALS

To make one flower, you will need:

- 2 wool strips or felt strips of your preferred colour
- 1 pipe cleaner
- 1 canvas or burlap strip

STEP 2: FOLD THE WOOLLY STRIP

Fold one wool strip like this:

a. Lay it flat on the table.

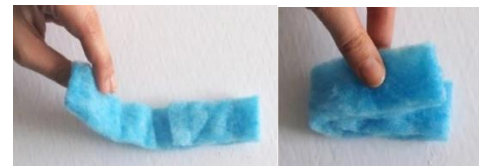

b. Lift one edge and fold it to the middle.

c. Lift and fold the other edge to the middle.

d. Leave a space in the middle, between the two edges.

e. Fold the strip in half.

STEP 3: REPEAT STEP 2

Fold the second wool strip the same way as the first. You will now have two folded wool strips, like this!

STEP 4: BEGIN TO ASSEMBLE

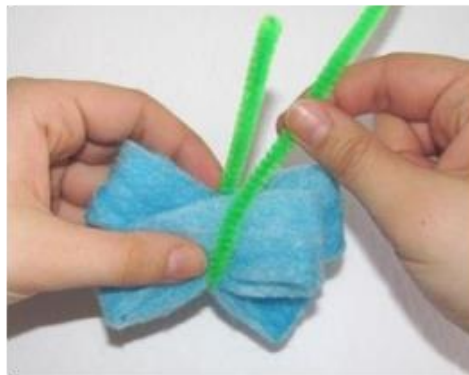

Place one folded wool strip on top of the other, so that they form an "X".

STEP 5: ADD THE STEM

Wrap the pipe cleaner tightly around the middle of both wool strips.

TIP: Try to leave a long part of the pipe cleaner to use as a stem.

STEP 6: FORMING YOUR FLOWER

Gently stretch open the wool petals to make a flower shape.

STEP 7: FIND A HOME FOR YOUR BEAUTIFUL FLOWER

Hang your flower by weaving the pipe cleaner through the spaces in the canvas or burlap.

CHALLENGE YOURSELF:
Make a bouquet of flowers to give to someone as a gift!
